

NAWAL KISHOR NAYAK(Frontend Developer)

Phone: +91 9165712276 | nawalnayak2233@gmail.com | [GitHub](#) | [LinkedIn](#) | [Portfolio](#)

Summary

Results-driven MCA student with a strong foundation in full-stack web development. Skilled in React.js, Django, and REST APIs with hands-on experience through academic projects and internships. Adept at building responsive user interfaces and scalable backend systems. Currently contributing to a live project focused on digital services for ashrams. Seeking a challenging role in software development to apply and enhance technical expertise.

Education

Master of Computer Applications (MCA)

Shri Rawatpura Sarkar University | 2023 – Present

Bachelor of Computer Applications (BCA)

Maharaja Agrasen International College | Graduated 2023 | CGPA : 7.2

Technical Skills

- **Languages & Frameworks:** Python, JavaScript
 - **Frontend:** React.js, JavaScript, , HTML5, CSS3
 - **Backend:** Django, Django REST Framework
 - **Tools & Platforms:** Git, GitHub, Visual Studio Code, MS Office
 - **Others:** RESTful APIs, Version Control, Debugging, Deployment Basics
-

Projects

Ashram Services Platform (Ongoing)

Tech: React.js, Django, REST Framework

- Developed a full-stack web application to manage accommodation, donations, and services for spiritual institutions.
- Built user interfaces using React.js and connected them to backend APIs.
- Implemented user authentication and integrated secure payment/donation features.

Hospital Management System (Completed)

Tech Stack: React.js, Django

- Built a web application to manage patient records, appointments, and doctor assignments.
- Developed modular components for staff and admin dashboards.

Personal Portfolio Website (Completed)

- Designed and deployed a personal portfolio using React.js to showcase projects, skills, and resume.
-

Experience

Web Development Intern

Adyant Softech | Jan 2025 – Present

- Worked on front-end and back-end development for client projects.
 - Collaborated with senior developers to design and deploy user-centric applications.
 - Gained practical experience in API development, version control, and debugging.
-

Certifications

- **Python Programming** – Geeks for Geeks (3 Months) (ongoing)
-

Strengths

- Strong problem-solving and analytical skills
 - Fast learner with attention to detail
 - Team player with effective communication
 - Passionate about clean, efficient code
